

Dragon Melt

PREMIUM ICE & SNOW MELTER

UNIFORM, FREE FLOWING FORMULA WITH A TOUCH OF GREEN

Small uniform granules allow for even applications. Dragon Melt includes an organic anti-caking compound so you never deal with clogged spreaders again. Green colored granules also provide spread control and less product waste. Green color is water based and will not stain.

MELTING PROPERTIES

Granules are coated with liquid Magnesium Chloride. This proprietary process delivers 3 times the melting performance of other brands at temperatures below 10 F melting ice to -12 F.

SAFER ON CONCRETE AND VEGETATION

Dragon Melt will not harm your lawn and plants when used according to directions. Unlike other ice melters, Dragon Melt will not leave a slippery residue on carpets or floors.
