

UNITED SALT CORPORATION

TRU-SOFT® SOLAR CRYSTALS

PRODUCT DESCRIPTION

Tru-Soft® Solar Crystal Water Softener Salt is a pure white crystalline product selectively harvested from our crystallized salt lake in Carlsbad, New Mexico. Our Tru-Soft® Solar Crystals meet AWWA standards and are certified with NSF.

PROCESS

Tru-Soft® Solar Crystals are produced naturally from a 2,000 acre lake using the energy of the sun. The crystals are harvested only after reaching their optimum size. The salt crystals are triple-washed, then evenly kiln dried to ensure the highest purity and whiteness to produce a crystal clear brine.

PACKAGE

The product is available in 40, 50, and 80 pound film bags with the special E-Z Entry System, as well as in 50 and 80 pound bleached, multiwall paper bags with a polyethylene moisture barrier and EM-T-Aide pull cord system. The 40 pound film bag has a soft handle.

PACKAGING

PALLETIZATION

Bag Size (Lbs.)	Dimensions (WxLxH)	Cube (Ft ³)	Bags/Pallet	Dimensions WxLxH	Gross Wt. (Lbs.)**	Pallet Pattern (Tiers)
40 Film	12"x25"x3.5"	0.6	63	40"x48"x35"	2600	9 Tiers of 7
50 Film	13"x27"x4"	0.8	49	40"x48"x35"	2550	7 Tiers of 7
80 Film	17"x27"x5"	1.3	30	40"x48"x32"	2495	6 Tiers of 5
50 Paper	12"x28.5"x4"	0.8	49	40"x48"x35"	2550	7 Tiers of 7
